

HopeSpring Child & Family Clinic is currently looking for several amazing people.

HopeSpring Child & Family Clinic, LLC, a thriving private practice in Fairfax, Virginia, is looking for part-time and/or full-time psychotherapists to join our group practice to perform psychotherapy services. HopeSpring Child & Family Clinic is a pro-insurance private practice group. Preference given to psychotherapists paneled with Anthem BCBS, BCBS, CareFirst, Cigna, Johns Hopkins US Family Health Plan (USFHP), and/or TriCare.

Compensation is a percentage based on income received and paid out monthly. The psychotherapist must have a niche(s) (children, adults, couples, trauma, family, EMDR, etc.) and be willing to market themselves to grow their referral base and recognition in the community. HopeSpring Child & Family Clinic provides a steady stream of referrals as well. The candidate must be independent, driven, collaborative, and open to feedback. The candidate will be an Independent Contractor status.

Requirements include being fully licensed in the State of Virginia with 2 years post-independent licensure experience, preferably with private practice experience and registered with CAQH and paneled with insurance companies.

**Requirements are:**

- Current State of Virginia license as a PhD, PsyD, LPC, LCSW, or LMFT
- Willing to work 10 hours per week or more
- Minimum 2 years post independent licensure
- Bilingual therapist (Korean and English) is a plus
- Prior private practice experience is a plus

If you are interested and meet the requirements, please put "Opening for psychotherapist" in the subject line and send a cover letter and CV to [info@hopespringchildandfamily.com](mailto:info@hopespringchildandfamily.com)

**Required education:**

- Master's or Doctorate

**Required license or certification:**

- 3 references
- Clinical Psychologist, LPC, LCSW, or LMFT
- Please do not apply if you are provisionally licensed
